

# Die Intervalle

Handwritten musical staff illustrating intervals from Prime to Oktave. The staff is divided into eight measures, each containing a note with a circled number below it. The intervals are labeled above the staff: Prime, Sekunde, Terz, Quarte, Quinte, Sexte, Septime, and Oktave. Below the staff, red brackets and arrows provide additional information: a bracket under the first measure is labeled 'Tonwiederholung'; a bracket under the first two measures is labeled 'Tonschritt'; a bracket under the last six measures is labeled 'Tonsprung'; and an arrow points to the eighth measure.
